

Neighborhood Health – Optometrist Full Time – 40 hours

Neighborhood Health is a patient-centered medical home committed to building healthier communities by delivering quality, comprehensive care. We offer medical, dental, vision, and behavioral health services as well as the women's, infants, and children's (WIC) program all in one convenient, centralized location.

Our optometry clinic opened in August of 2017 to further meet the needs of our patients and community. This is an exciting opportunity to join our team because we are expanding. As a member of our growing team you will feel at home in our fun and diverse community of health care professionals whose goal is to improve access to health care in our community and surrounding areas.

What you will do:

- Manage the acute and long-term optical needs of Neighborhood Health patients
- Perform visual examinations using a full field of optometric instruments and techniques
- Diagnose visual diseases, disorders, and deficiencies
- Prescribe treatment according to scope of practice and Neighborhood Health guidelines
- Record physical findings and other pertinent information in patient's electronic health record
- Follow Quality Assurance program guidelines and participate in assigned activities

Must have:

- Affinity for working with culturally and economic diverse patient populations
- Demonstrate leadership, communication, and interpersonal skills
- Have compassion for patient health and safety

Education:

- Graduate of an accredited school of Optometry
- Licensure to practice optometry in the state of Indiana
- Meet Neighborhood Health Clinics' credentialing standards

This position is full-time with benefits. We offer competitive pay, health and dental insurance, 403(b) retirement plan, PTO, and 8 paid holidays.

Interested candidates should send a CV along with resume to Cindy Geisman, VP/Chief Operating Officer at: PO Box 11949, Fort Wayne, IN 46862 or by email at cgeisman@nhci.org.

Neighborhood Health Clinics is an Equal Opportunity Employer.
