What you will do:

- Manage the acute and long-term medical needs of NH patients by performing physical examinations and preventative health measures within prescribed guidelines
- Ensure that patients receive appropriate education and referrals
- Provide monitoring and continuity of care between clinic visits
- Records physical findings and other pertinent information in patient's electronic health record within the timeframe established
- Participates in Quality Assurance activities as assigned
- Work closely with VP/Chief Medical Officer and administrative staff to ensure individual provider productivity goals are achieved.

Requirements:

- 3 years of professional nursing experience
- Indiana Advanced Practice Nurse (APN) license
- Indiana Controlled Substance Registration (CSR)
- DEA license

Education Requirements:

- Graduate of an approved Nurse Practitioner Program

This position is full-time with benefits. We offer competitive pay, health and dental insurance, 403(b) retirement plan, PTO, and paid holidays.
