Dear Valued Patient,

We hope this message finds you in good health and high spirits!

We are writing to share some important news regarding your healthcare team. Our highly respected provider, Dr. Manny Manalo, will be leaving Neighborhood Health at the end of March as they move on to new ventures in their professional journey. While we will miss their exceptional care and dedication, we want to reassure you that Neighborhood Health is here to continue your care.

At Neighborhood Health, your health and well-being are our top priorities, and we have multiple other providers who will ensure that you receive the highest quality of ongoing care. To that end, you will be reassigned to another one of our providers, who will be eager to meet you and continue your healthcare journey. To facilitate this transition, we encourage you to schedule your next appointment at your earliest convenience. Our staff is here to assist you with any questions or concerns you may have during this process.

Thank you for being a valued member of our healthcare family. We appreciate your understanding and support as we navigate this change together. We are excited for what the future holds and are committed to providing you with the exceptional care you deserve.

Wishing you health and happiness,

Dr. Sharon Singleton
Chief Medical Officer
Neighborhood Health
